◀ MUMS' MANUAL

Every new mum wishes at some stage that their newborn came with an instruction manual. Tips for feeding, advice on establishing routines and settling techniques... The **Mum To Mum** DVD series is the first of its kind to demonstrate everything a mother needs to know about caring for their child and will be a welcome gift to anyone celebrating their new arrival. Available at leading department stores, each Mum to Mum series DVD retails for \$29.95.
